Pedal 2 Prosecco

Make it even easier to get to your next glass of Prosecco, on an e-bike.

A little extra push by battery power helps you over the hills, from door to cellar door in the upper King Valley.

Your map is your guide to follow, the perfect companion to tasting your way along Prosecco Road...pedal where you please.

Take a picnic packed with local cheese, salumi, bread and Elena's garden vegetables, to enjoy at a local swimming hole, or a spectacular lookout.

If you've still got some stamina, book lunch in the Dal Zotto trattoria, the perfect reward for your efforts.
